

## ST-350 Handrail Support

### Central anchor support for ST-350 handrail

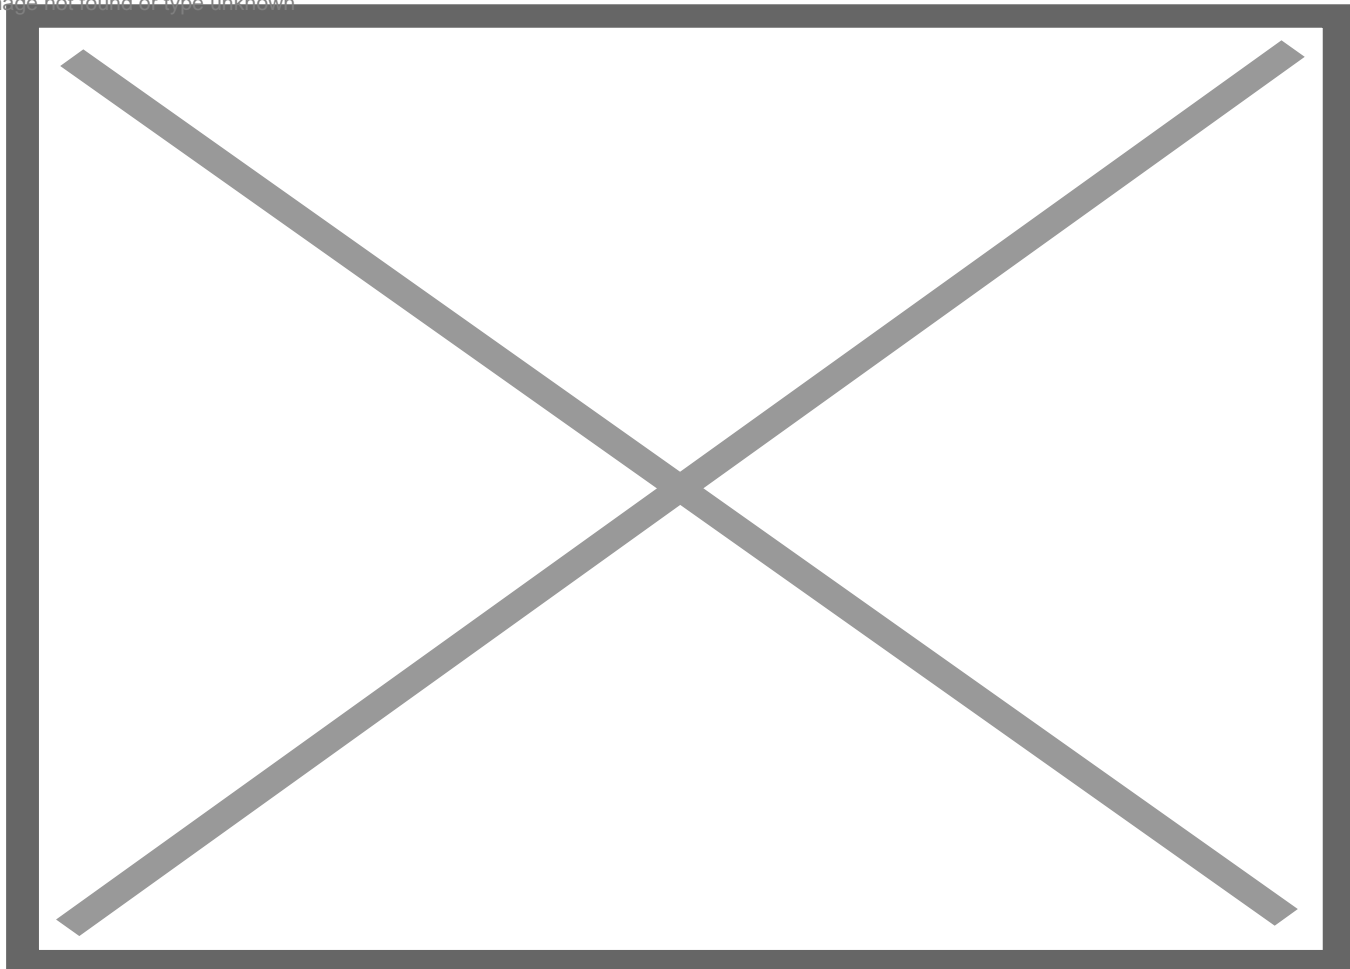

**Material:** Machined stainless steel

**Quality:** AISI 304

**Finish:** Gloss (see satin finish)

**Description:** Support for mounting wall handrails. The support is made up of a Ø 70 mm embedded base for fixing to the wall and a solid 8 mm rod at 90° that is anchored to the wall using chemical anchoring. Anchoring to the handrail is done by welding or the drill that the rod has.
