

ST-340 handrail support with bracket

Central anchoring support for handrail with ST-340 bracket

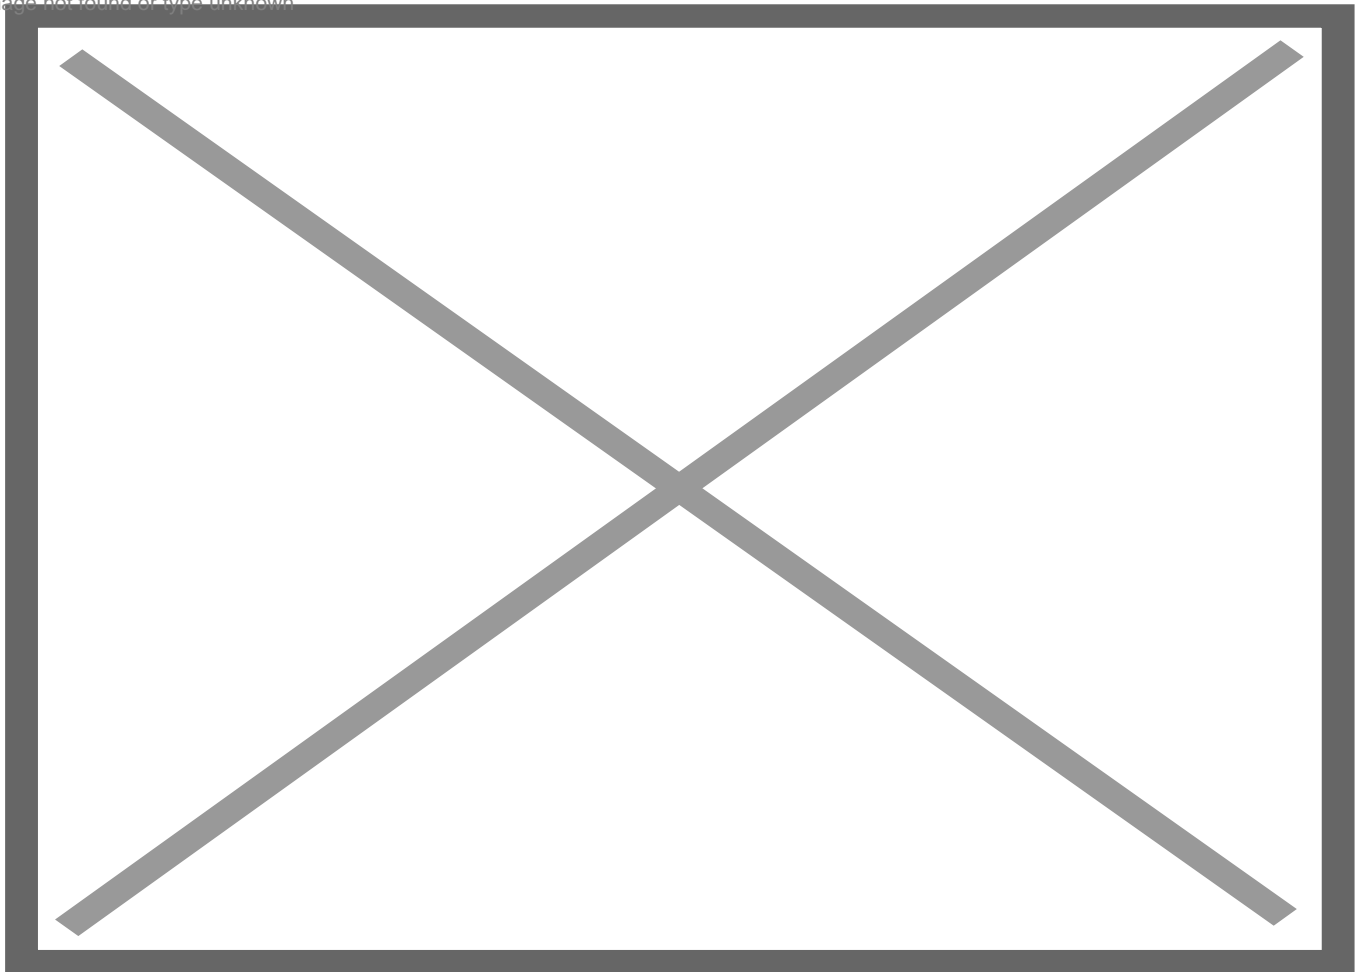

Material: Machined stainless steel

Quality: AISI 304

Finish: Gloss (see satin finish)

Description: Support for mounting wall handrails. The support is made up of a Ø 70 mm embedded base for fixing to the wall and a solid 8 mm rod at 90° that is anchored to the wall using chemical anchoring. Anchoring to the handrail is done by welding or using the holes in the bracket.
