

## Handrail support for glass SA-423 (BG 00)

### HANDRAIL SUPPORT with TRIM and TILT ROD for GLASS

**Material:** Machined stainless steel.

**Quality:** AISI 316.

**Finish:** Gloss (see satin finish).

**Description:** Support for mounting glass handrails. The support is composed of an axis for installation for fixing on a glass through a drilling, a decorative cover that covers the base to hide the drill, an arm with an elegant design in shiny polished stainless steel and a rod that is articulated to be able to position the handrail on inclined railings. Anchoring to the handrail is done by welding.
